

HAPPY SUMMER HOLIDAYS

100% Attendance Reward

Well done to our 100% attendance pupils who have enjoyed their free bowling session!

Safety STARS

Our dedicated STARS team, who promote walking to school and road safety whilst travelling to school, are presented with their new badges.

Marking Time

2AD have buried a time capsule in the woods during forest school, which they will dig up when they reach year 6. We used an ice cream tub (we had to eat the ice cream first!) and filled it with special objects and information about all of us, such as our favourite food, games and what we want to do when we are older.

We made treasure maps so we don't forget where we buried it and are going to make a flag this week. It was a lot of fun and we are looking forward to digging it up in 4 years' time!

Cycling Safely

Well done to our cyclists for gaining their Level 2 Cycle Training certificates of achievement.

Many thanks to our volunteers who ran cycle proficiency and are now trained tutors.

Smartest Uniform

A very well dressed class! **3MR** win the award for the smartest uniform (right).

Tidiest Classroom and Cloakroom
Class **1CT** won the award this week (left).
A great effort.

Attendance and Punctuality Awards

Great attendance from class **2AD** (left) who won the Attendance Award.

Super time keeping from **3LM** (right) to win the Punctuality Award.

Very well done to both classes.

Super Swimming

Congratulations to all these children for gaining their 5 and 10 metres swimming awards and certificates of achievement, with a special mention to Edward for his amazing feat in attaining his certificate for swimming 50 metres!

Clever Coding

Abdurahman has completed scratch 1 of code club and received his certificate – smart work, Abdurahman!

Race for Life

Harriers Banbury Academy made a total of £776 from our Race for Life event. Thank you for your support and for giving so generously to our fundraising for Cancer Research UK.

E-Safety Tip of the Week

Here's some updated safety information for the growing phenomenon of

Pokémon-Go.

Lots of our children are talking about it in school, but there are risks still associated with playing the game that parents should be aware of:

Summer Holiday E-Safety Activities

Summer holidays are the perfect time to help your children get creative online and in turn provide the perfect opportunities to try some online e-safety activities together.

Here are a few ideas:

Learn about e-safety together with these fun activities:

For children aged 7-11, watch and learn the 5 e-safety SMART rules with [The SMART Crew](#).

For children aged 3-7, Read the brilliant e-safety resource, [Digiduck's Big Decision](#), and follow Digiduck and his pals in this story of friendship and responsibility online.

Follow the adventures of Smartie and Daddy Penguin as Smartie learns how to be safe on the internet. Once you've read the [e-book](#), try some of the activities linked to the book or why not draw a poster, write a song or make a Smartie the Penguin [sock puppet](#).

*So go on, have fun together and
BE SAFE this summer!*

Another great way to see what we are doing at Harriers is to follow our [Facebook](#) page.
