Principal's News

Dear Parents/Carers

Welcome back to term 6 and our final term of the year. We kick-started the term with our aspiration day based on 'Sense of accomplishment' and 'Fun and excitement.' Children, throughout the school, worked together to make puppets (based on their class books) and thoroughly enjoyed watching a Punch and Judy puppet show – many thanks to Mr Cashmore for giving up his time for us!

This week year 6 will be joining Dashwood and Banbury Academies on a trip to Kenilworth Castle. We have also held another successful 'Inspire Maths' day where our pupils and staff show other professionals how fantastic our Maths is. Finally, year 4 are very much looking

forward to their camp over on Friday night... watch this space for photos!

This weekend sees the first joint family fun day at Banbury Academy 12 – 4pm. Please come along and support this exciting event. Our choir will be performing at 1.30pm and 2.30pm.

The Great Banbury Bake Off

As part of our Family Fun Day on 10 June, we are inviting entries for the **'Bake a cake fit for the Queen'** competition.

Entries will need to be submitted on the Friday (9th); after judging the cakes will be cut up and sold as individual pieces.

(please supply a list of ingredients so we can cater for people with allergies)

Happy Baking!

[Read the 'Bake a Cake fit for the Queen' competition letter to parents here.](#)

Well done to our colleagues and students at Space Studio Banbury for a great Ofsted report: [Ofsted Inspection Report 2017](#)

Reminder;

We continue to strive to keep the parking and roads around the school safe. Please can we reiterate that there is no space in Harriers View, there is no room to turn and you must not block residents' driveways. Please try to park further away (including Horton Tennis Club) and walk a short distance to keep our pupils safe.

Parents may have seen in the local press a proposal for car parking in Easington Rec. The town council are now consulting regarding this proposal. If we receive more information we will share it with you.

Can we remind you that we would appreciate any responses on our parent view survey;

www.parentview.ofsted.gov.uk

Best Wishes

Mrs Agate, Associate Principal

Inspire Maths Morning

Our Inspire morning allowed pupils in Year 1-5 to explore different approaches to solving maths' problems. They dealt brilliantly with fractions, converting units of measure, comparing decimals and finding the area of a shape.

THANK YOU to our PTFA

Our fabulous PTFA have been raising funds for us throughout the year. Recently they asked the school what we would put on our 'wish list'; the children asked for new books, games and even bean bags. Our 'wish list' has now been completed; the PTFA has bought us some wonderful new resources.

Year 6 love The Lion King

Year 6 had a fantastic trip to see The Lion King in London. The show links to their forthcoming Jungle Book production and their current Story Museum project.

It was amazing!

Film Stars!

A film crew visited Harriers to take some footage of our Inspire Maths lessons. The film showed us in action and will be used in other schools to promote good teaching of maths at primary school level.

Childcare vouchers accepted

If you are registered for childcare vouchers via your employer, we are pleased to accept them as payment toward breakfast club, nursery and afterschool clubs. We are registered with EdenRed, Taxfree Childcare (government funded) and RG Childcare.

You may contact the office to request account details.

Starting in September?

There will be an induction evening on 21 June, for parents of little ones starting in early years in September.

Summer Tennis Camp

Banbury Tennis Academy is running a series of fun-packed summer tennis camps to nurture young talent. If you are interested please download the form

for more information, contacts and bookings:

[Tennis Camp](#)

High Flyers

Don't forget to look at our '[High Flyers](#)' and [Sense of Accomplishment](#) pages on the

website for children and classes that have excelled each week.

Another great way to see what we are doing at Harriers is to follow our [Facebook](#) page.
