

Principal's News

Dear Parents/Carers

Congratulations to our team of Year 6 scientists from Eagles class for making it through to the grand final of the Big Science Event 2018.

Kinga, Tessa, Camilla and Amelia conducted and presented their findings on an experiment about which fruit has the strongest outer layer. The answer is mango of course! This is an enormous achievement in our first year of entering as over a hundred teams had made it through to the judging stage. The final will be on the 11th July, good luck!

Please can we remind you that children should not be on the playground unsupervised before 8:45am. We have had a number of cases recently where children are arriving early and waiting by themselves on the playground or, more worryingly, on the roads outside school. If we do find any children doing this then we will take them into breakfast club and parents/carers will be charged.

Well done to Year 1 and some Year 2 pupils who have completed their Phonics Check this week. We have been so impressed with the progress you have made this year!

Our Early Years team were moderated by the Local Authority this week. We are delighted to confirm that the moderator agreed with all of the teacher judgements and praised the team for their teaching practice and how well they know the children. She added that it had been

a pleasure to visit Harriers. Well done to the Early Years team!

Kind regards,

Alex Pearson, Executive Principal

Early Years Induction Evening

We are so pleased to be able to welcome the newest members of our school family at our Early Years Induction Evening on **Tuesday 19 June, 5.30-6.30pm**, in the hall. This is for parents of children joining us in September in Nursery or Reception classes. This is for new parents only; if your child is already at our school there is no need to attend.

Congratulations Banbury Academy!

Huge congratulations to Banbury Academy on their great Ofsted report. The school has been graded as

GOOD with the sixth form **OUTSTANDING!** This is well deserved and so pleasing to hear that their hard work has been rewarded, especially as many of our pupils go on to study at Banbury Academy.

[Read their Ofsted report here.](#)

Early Years children and staff enjoying Pirate Day

Yo Ho Ho Me Hearties

Early Years had a fantastic Pirate Day on Friday 8th June. We have been digging for treasure, decorating pirate biscuits, making exotic fruit salad, making telescopes, walking the plank, weighing gold, fishing for pearls, decorating mermaid tails and many more fun activities! It has been a barrel of fun.

Uniform Needed

Congratulations to Mrs Malik who won the hamper in the recent uniform donation raffle. Please keep donating uniform, in good condition please, for a chance to win a prize at the next raffle at the end of term.

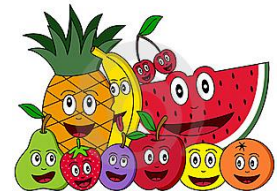

**HAPPY
FATHER'S
DAY!**

Celebrating dads!

Thank you to all children and our PTFA for a wonderful Father's Day celebration with their wrapping event. Radio Oxford is coming to take part and talk to the children about what Father's Day means to them.

Healthy living

We have completed our Healthy Schools Week and the children have been so good at trying new and exciting foods. Don't forget

children should bring healthy snacks and water for break times and we have Fruity Fridays when there is a lovely range of fruit on offer.

Attendance matters

Regular attendance is important for your child to progress so thank you to all who supported our Attendance Week with such enthusiasm. Please keep your children's attendance and punctuality a priority throughout the year.

Sleep tight

Good luck to our Year 4 campers on their sleepover on Friday 22nd June. Hope you have a great time and get a teeny weeny bit of sleep!

Dates for your Diary

Tuesday 5 June – Wednesday 25 July: Term 6

Friday 15 June: PTFA Father's Day Wrapping Event.

Tuesday 19 June, 5.30-6.30pm: Early Years Induction Evening.
