## Learning the story of the 3 Little Pigs

Similarly to last week, we have been learning a story off by heart and using different techniques to tell the story in school. The children have loved hearing and joining in with the 3 Little Pigs and have come up with some great voices for the different characters!

We have been busy building houses for the pigs, making models of the story from playdough and acting out the story.

This week we have also given out the first reading books for the children to bring home. There is an information sheet with them and a reading record. We have been looking at shapes and sorting in maths and went on a shape hunt!

### Homework

For homework this week we would like the children to have a photograph taken with their door number to go with their shape houses they cut out last week. We also would love the children to share their first reading books with you.

---

### PE

We had another PE session this week and we all got changed into our PE kits. This went very well for our first time but if the children could practise getting dressed at home we could get even quicker!

### Tapestry

Don't forget to activate your Tapestry account so that you can see what we have been doing in school. You can also upload your own observations and messages for us to see as well. If you need any help or a new activation email please see a member of staff.
