More little pigs

We have been carrying on our work around the 3 Little Pigs story telling. We wrote some labels for the pigs' houses, made giant pigs' houses in the garden and made puppets using paper plates.

We have been listening to different sounds and sounds in words in phonics this week to prepare us for blending and segmenting words in a couple of weeks time. In maths we have been comparing and sorting items by length and using language related to length to describe them.

We also had a Spanish afternoon for International day of Languages, and we tasted some Spanish foods.

Next week we will be starting to think about Harvest and Autumn.

Homework

We have sent a "rhyme of the week" home with each child for them to practise and learn in school and at home. If the children want to share their performance or any work related to this you could add it tapestry for us to share in school.

Reading and letters

Please ensure your child has a book bag in school every day with their reading book and diary. We also put all of the letters and information from school in book bags so please check them each day.

Tapestry

Nearly all parents have activated their tapestry accounts now. If you need any help or a new activation email, please see a member of staff.
