

Robins and Wrens' Newsletter

The Little Red Hen cont.

The children have been busy sequencing the story into the correct order this week and re-telling the story. They have loved this work and have even been doing the voices for the different animals, as well as adding in actions. We have been looking at counting this week and the dots on dice to help us play board games.

EYU Local walk

The children had an amazing time on our local walk looking for signs of Autumn, and they thoroughly enjoyed our trip to the park on the way back! We were so proud of how sensible and calm they all were and how well they listened to the adults. Thank you to all the parents who were able to help us on this trip. What a great end to our first term!

Harriers Banbury Academy
an Aspirations Academy

Issue 7

Friday 19th October 2018

Homework

We would love to see a photograph or picture of the children at a celebration.

Please see the separate sheet for more details.

Reading and letters

We are continuing to read our books in school. The children are getting really good at talking about these and looking out for clues and sounds. We have started sending books with words home this week, and will continue this the first week after the half term break.

STILL NAME EVERYTHING!!!!

We are still getting a lot of lost clothing and item without names. Please name everything so that we can reunite items with the right children. If you have lost any unnamed items we have a big box of them that you are welcome to check.

Notices

Parents evening is coming up next term – you have had a letter sent home explaining how to book a slot on-line.

The Science Oxford Planetarium is coming to school on the 12th November. Please logon to Parent Pay to pay the £3 cost and give permission for the event.
