

Robins and Wrens' Newsletter

We're Going on a Bear Hunt

We have had a fabulous and very busy first week back at school. The children have enjoyed sharing the story of *We're Going on a Bear Hunt* by Michael Rosen and have been joining in and adding actions. We even had a go at story stepping in the garden through the grass, mud, water, forest and even some snow!

We have been recapping our phonic sounds for s a t p i n this week and introducing c and k.

In maths we have been counting using 1:1 correspondence and knowing that 1 item is 1 number.

We have also enjoyed learning about firework safety and Halloween this week.

Have a great rest over the weekend ready for another busy week next week.

an Aspirations Academy

Issue 8

Friday 2nd November 2018

Homework

We have a maths game for the children to play with you at home. It would be great if you could upload any photos of this to Tapestry.

Please see the separate sheet for more details.

Reading

The children are really growing in confidence in their reading, especially as they are starting to recognise some phonics in their books. We change the books each week when we read with the children so please keep the book and diary in book bags every day.

WANTED!

We would like to do some gardening in reception and nursery. If you have any unwanted compost or bulbs that you can donate please let us know. We would be very grateful for any donations.
